Dear Rick,

I would like to personally congratulate Aardex for being recognized as the Green Developer of the Year. After visiting your Golden building in July, I understand why you received this honor. This is an accomplishment for which you and your team can be proud.

Aardex has clearly demonstrated an exemplary commitment to innovative commercial property design. I am sure that you will continue to set an example for sustainable building techniques as well as socially conscious development practices.

I wish you good fortune on all of your future endeavors and the best of luck as you continue to make a difference in the community.

Sincerely,

Ken Salazar
